

Homework

Every 2 weeks your child will be given reading, spelling, maths, topic & Thrive based homework to complete. It is set on a Friday and should be returned a week and a half later on the Wednesday (the exact date will be detailed at the top of the homework).

"Nothing is impossible. The word itself says I'm Possible."

Daily routines

Entrance Door

You will be coming into school using the door on the playground, where the ramp is.

Exit door

Your parents or carers will collect you directly from the classroom door.

Classroom

This is what your new classroom looks like.

Playground

This is where you will have your morning and lunch playtimes.

Expectations

We expect that you try your best and follow all of the school values to make sure you and your friends are safe. There will be challenges but with our support, you will grow to be the best you can be. We expect you to follow the 5R's inside and outside the classroom. Respecting others and using your manners to all adults and your friends is something we expect all of the time. Most importantly, we cannot wait to have you back at school, in our new classroom and to see your smiling faces again.

Learning for life

We want the very best from you but also you deserve the best from us. You are our future and we want to help you shape that. We want to help you achieve your dreams and become the best version of yourself.

Daily routines

Toilets

You will be using the toilets near the KS1 hall.

In Class

Lockers

You will have your own locker to put your coat, bag and P.E Kit in.

Water bottles

You will need to have a water bottle clearly labelled with your name. You will need to take it home every day, wash it and refill it with fresh water.

Milk and Fruit

You can choose to have milk at playtimes. This is £1 for the week; please bring this in on a Monday. You can also have a piece of fruit at playtime. This is free.

Lunchtimes

You can choose what lunch you would like to have it can be school dinners or packed lunches.

Curriculum

You will love learning new things in 2AH. We hope that you enjoy coming to school and developing new skills with the help of your friends and teachers. Children in Year 2 follow the National Curriculum 2014 for primary schools. The subjects taught are: English, Maths and Science, (core subjects), Art and Design, Computing, Design and Technology, Geography, History, Music and Physical Education.

The 5 R's

We have five values, which we want all children to adopt with our support.

Respectfulness Children and adults will respect each other, which helps to ensure children have a positive, confident attitude to learning. This allows them to be physically and emotionally ready to learn.

Resourcefulness: Children will show initiative, ask well thought out questions and are prepared to use a variety of strategies to learn.

Reflective: Children will be curious, able and willing to learn from their mistakes and can describe their progress

Resilience: Children are prepared to persevere and stay involved in their learning, even when the process is challenging.

Reciprocity: Children are prepared to help each other and work as a team.
