Daily routines

Entrance door

Please wait outside of our classroom door. We will greet the children from there. They will then be directed to their lockers to put away their belongings.

Exit door

Children are to be collected at the same door as they enter school (our external classroom door). Please stand back away from the door to allow children to be dismissed safely.

Classroom

Playground

Expectations

We will have lots of fun in Reception and we will learn lots of new things I will help you to learn and give you opportunities to explore your interests. I will make sure you have all of the resources that you will need and I'll listen to you to make sure I can give you all of the help you need to succeed.

Reciprocity

I would like you to be ready to learn, willing to help your teachers and friends and be polite and respectful to everyone and everything at school. We are going to have so much fun and learn lots of new things in RM, so we all need to work together as a team to make our year together amazing.

Learning for life

Your education is incredibly important because it will mean you can reach your dreams when you're grown up.

Daily routines

Toilets

Our class have access to toilets within the Reception classrooms.

Fruit/milk

Children will be given the option to have fruit and milk (or have a drink from their water bottle). They will sit together with the classmates during snack. However, due to Covid-19 this may change so please bear with us while we adapt.

Class

Pegs/lockers

Lockers are for the children to store their personal belongings. This includes coats, book bags and lunchbox (if required).

Water bottles

Water bottles should be taken home every day, cleaned, refilled and stored in school in the baskets provided in the classroom.

Lunches

Sandwich boxes will be kept in the children's individual lockers until they collect them at lunchtime. Children will be taken to the dinner hall by Miss Maiden and Mrs Zabinska.

Curriculum

What can they expect to learn about over the year?

During Reception we will learn lots of exciting things. We will explore how to look after ourselves and learn about your families and we'll look at the season of Autumn. We will then move onto looking at Winter and all of the exciting celebrations at that time of year like Diwali and Remembrance Day. During the Spring term we will learn lots of new stories and meet new characters. Then we'll move onto exploring how things grow and change, we have so many fun activities planned. When we reach the Summer term we will look at all kinds of different animals and minibeasts, lots of things for us to discover. Finally, we'll jump aboard lots of adventures with fairytales, dinosaurs and many more. We will also find out about different places around the world. We will have lots of adventures all year while learning to read, write and count, I can't wait to share them all with you!

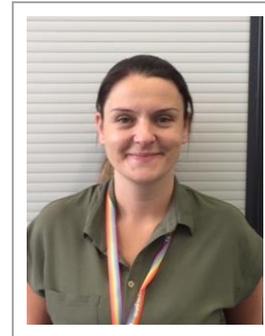

"If you can dream it, you can do it."
—Walt Disney

5 R's and how children will Thrive in your class

In our classroom, we follow the 5Rs (Respect, Resourcefulness, Reciprocity, Resilience, Reflection) it is important that everyone respects each other and everything in our room and that we all follow the 5Rs so that we can have a happy and safe classroom. We must look after each other and listen to our friends, always making sure we respect the views of others. We will learn together and find new ways to learn with different resources. We will be independent learners, but we will also feel confident enough to ask for help when we need it, it's ok to make mistakes if we can help each other and learn from them -we're all in this together! We will always reflect on choices we make and think about other people's feelings. We will be safe and happy in RM.
