Daily routines

Entrance door

You enter school through the door in the Year 5/6 link corridor.

Exit door

You will be collected from the ramp in the KS2 playground

Class room

Playground

Expectations

Hi everyone! I am looking forward to seeing you all in September. Mr Singh and Mr Johnson have told me how brilliant you all are so I have no doubt we can make this year special for us all!

As your teacher, I aim to get the best out of you so that you can reach your full potential but I also believe that school is about more than subject knowledge. If we respect each other, help each other and treat each other with kindness then we will make a great team! We will work hard in Year 5 but we will also have lots of exciting opportunities and experiences to look forward to.

Class Rules

The rules for my classroom are very simple – follow the 5Rs. Now more than ever, we need to appreciate the people around us and work together to make our world a place filled with respect and understanding.

Learning for life

Your learning is so important to me and you should also be proud of all the learning you have done in school so far. Not only will it benefit you now, it will most definitely help you in the future to achieve your life goals such as becoming a doctor, police officer, vet or even a scientist! As long as YOU NEVER GIVE UP on your learning you will be able to achieve ANYTHING!

Class 5R

Lockers

Your lockers will be in the year 5/6 link corridor where you enter school in the morning. This is where your coat, PE kit and any other personal belongings will be kept. You will also have a tray in the classroom to store stationary etc.

Water bottles

Water bottles should be taken home every day, cleaned, refilled and stored in the classroom by the sink

Lunches

Sandwiches will be stored on the blue trolley outside the classroom

Curriculum

You have lots of exciting learning to look forward to in Year 5! We have some interesting books that we will be working on in English. I am also really looking forward to reading your stories when we work on 'Boomwriter' If you love Maths then don't worry, as we will be working with numbers on a daily basis! In Science, we will look at 'Earth and Space'. We also having some fabulous topic work planned for you such as; Making savoury Muffins in DT, learning about the Ancient Greeks in History and much much more!

*“Education is the most powerful weapon you can use to change the world!” **NELSON MANDELA***

Final note!

I am bursting with excitement for September and I hope reading this booklet has made you feel the same way. Our classroom is a safe place. We are here to help you in every way that we can. Together we will learn and grow.

See you all in September. I am looking forward to a fabulous year!
