

Whole-School Portrait

You may know that each year, every child from Nursery to Yr 6 draws a portrait of an important person to show how their skills develop.

This year, we have decided to use:

Rosa Parks.

Whole-School Portrait

You will only need a piece of paper big enough for you to draw your portrait on and a pencil. Please look at the picture as often and as much as you need to for you to do the best work you can.

Remember to think about everything you have learned about drawing when we were at school. If you have younger siblings, you could show them some of your art skills.

This is not a competition, so please don't worry. Just take your time and do your best. Try to add as much detail as you can.

If you think you have done something wrong: remember that it is just pencil and can be rubbed out and drawn again. Show your Resilience and Resourcefulness and keep trying!

We still hope to have a whole-school display of your portraits, so keep them safe!

Good luck, Master Artists of Hillary Primary!
