

## **Homework Project March 2020**

### **All about me/ Growing up project.**

We would like you to create a project about yourself. Something that you could keep and add to as you grow up.

Things you might want to include. (These are just some suggestions you could add lots more ideas of your own)

- Birth and early childhood
- My family
- My role model/ Person I most admire
- My favourite place/Where I like to go
- My most memorable holiday
- My special friends
- What I like to do
- My ambitions/Hopes for the future

Can you include lots of different subjects in your project?

English – include different genres of writing – letters, diaries, autobiography, remember to include fronted adverbials, expanded noun phrases, relative clauses etc

Maths – bar charts/graphs, Venn diagrams

Art – drawings of your home/favourite place

IT – word process some of the pages.

History – family tree

Remember to have a front cover and contents page. You could include photographs – please ask permission from your parents/carers

How can you make your project special/stand out?

---

If you have access to the internet please also remember to go onto TT Rockstars, Purple Mash and Lexia as often as you can.
