# Daily Routine...

## Entrance

Enter from the main school car park via the year 3 and 4 entrance- located next to the school kitchen.

A teaching assistant will be waiting to greet you with a smile.

## Lockers

Each child will be provided with a locker and a class tray.

Lockers will store:

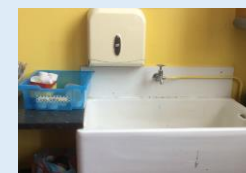

- PE kits- taken home to be washed every half term or when necessary
- School bag-used for homework and library books
- Coats, hats and gloves

Tray:

- Tuck money
- Glasses if needed
- Any other equipment needed in the school day

**Please Do Not bring other items from home.**

## Water Bottles

Water bottles should be taken home every day, cleaned, refilled and stored in school at the sink.

## Toilets

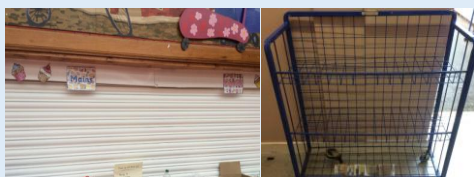

Year 3 and 4 toilets are located by the year 4 lockers. Access to them is via the link corridor where you enter school in the morning.

## Tuck KS2

Tuck purchased from the kitchen in the KS2 hall. ***"Due to COVID restrictions we are unsure when tuck will be available."***

## Lunch Time

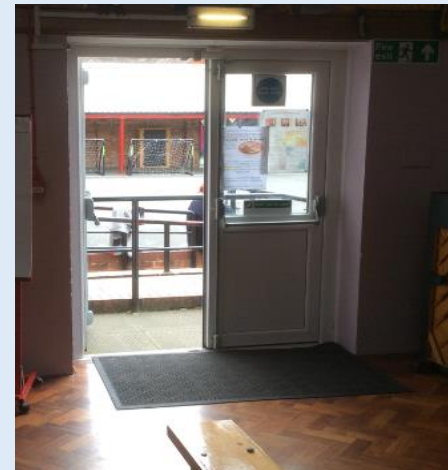

Hot dinners are usually served in the KS2 hall.  
Sandwiches will be kept on the sandwich trolley outside of the classroom. You are usually taken to KS1 hall to eat at lunchtime. ***"Due to COVID restrictions we are unsure whether children will eat lunch in the hall or in their classrooms."***

## Homework

Homework will be set:  
On a Friday  
Due on the second Tuesday  
(11<sup>th</sup> day)

## Exit

At home time, you will be collected from the hall door via the Key Stage 2 playground. Parents will enter the playground from Hillary Street and wait outside the Key Stage 2 hall.

## Expectations...

In 3A, you will have a safe environment to learn in, where you will be a respected and valued member of our class.

3A is all about the 5R's:

**Respect**-everyone and everything around you. Listen to and value others. Remember to treat everyone equally

**Reciprocity**-work as part of a team-help each other

**Resourcefulness**- contribute and share ideas with everyone

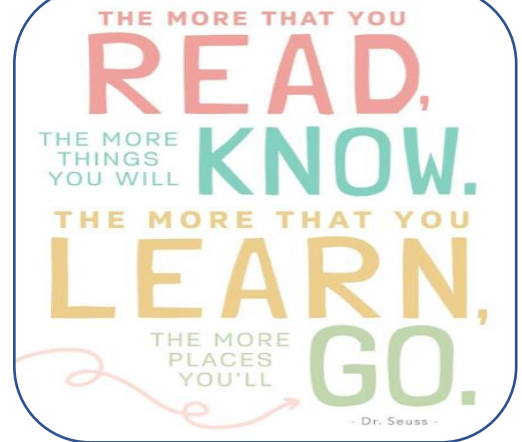

**Resilience**- never give up and keep trying-ask for help

*Thrive is an important part of school life and in the new year you will still get the care and support you need to help you in school. Remember when things get too much, we have a range of strategies and activities to help you in the classroom, including the calm down area. You can also speak to a member of the 'Thrive' team in the nest-they are ready to support you further.*

Believe you can  
and you're  
halfway there.

Theodore Roosevelt

## Curriculum...

This year you will be involved in a fun, stimulating and engaging curriculum, where all the subjects will come alive. Learning will be creative so be prepared to be hands on, get messy and enjoy yourself. WE AIM TO HAVE FUN!

Year 3 will be bursting with music, stories and adventures. All of these will help you to achieve your full potential. You will start to develop your reasoning and problem-solving skills, embark on an alien mission and unlock your creativity within the curriculum.

Let your imagination run wild as you venture into the Amazon rainforest and explore the exotic plants and WATCHOUT for the endangered species. Once you escape the dangers of the Amazon, then prepare to be amazed once again and step into a time machine and travel across the ages.....
