Daily routines

Entrance and Exit

You will need to wait on the playground with your parents or caregiver until the entrance is opened. No ball games are allowed while waiting.

Class room

Playground

Sandwiches hall

Pegs/lockers

Your locker should only contain :

P.E. Kit

Coat

Bag

Water bottles

Water bottles should be taken home every day, cleaned, refilled and stored in school.

Lunches

Sandwiches need to be put on the trolley outside of the classroom in the morning. School offers a range of cooked meals to try in the dinner hall.

Expectations and 5 R's

I cannot wait to have you in my Year 3 class. We will all learn from each other as we all have our individual skills and needs.

Team 3S needs to be respectful and polite, these good manners mean we can focus on enjoying our learning.

Sometimes you may need the reflection space, which is there when needed.

Reciprocity will be important in year 3 because you may do more group activities and they need co-operation and teamwork.

When the new school year starts, resourcefulness will be even more important because we all have to adjust to social distancing rules.

I know you have been through a lot and we will continue to build on your resilience to help you face any challenges.

Toilets

The toilets in the corridor outside the class, it needs to be treated with respect. (Opposite your entrance into school)

Tuck (KS2) At break time you may be able to buy tuck, you will be told prices and what is available for you to eat.

Daily routine

In class 3S we come to school ready to learn, and have fun and the same time. Coming into school every day will be important, as each day is a chance to learn something new.

We have a range of interesting topics to learn about each day. You will also have a break and lunch time to play and enjoy time with friends.

Finally, at the end of the day you will be collected from the same doors you came into school through.

Curriculum

We will look at a range of fascinating and interesting topics.

We may flick through fantastic fairytales or even take a closer look at the astounding Ancient Egyptians; one thing is for sure, I CAN'T WAIT TO FIND OUT MORE WITH YOU!

Thrive

Within our class, my aim is to always make sure you feel safe and happy because I think then you will be ready to enjoy the fun of a school day. I need every child and member of staff to work as a team and show reciprocity throughout each day because then we can achieve any target we set our minds on. Showing respect at all times through manners is important to me, I will always show you respect and manners and I know you will want to too because it makes our school an even more wonderful space to be in.

Homework

Ordinarily homework would be set each fortnight to give children the opportunity to complete it to their highest standard.
